

## **The Coventry Carol**

*(trad.)*

*Lully lulla, thou little tiny child, bye bye lully lullay  
Thou little tiny child, bye bye lully lullay*

Oh sisters two, how may we do  
For to preserve this day  
This poor youngling for whom we sing  
Bye bye lully lullay

*Lully lulla ...*

Herod the King, in his raging  
Charged he hath his day  
His men of might in his own sight  
All young children to slay

*Lully lulla ...*

That woe is me, poor child for thee  
And ever morn and day  
For thy parting neither say nor sing  
Bye bye lully lullay

*Lully lulla ...*
